Hon D McDop Post M S Mint

Dear Sir

I have read with care your communication of this date relative to the disposition of the metal now at the Mint, and will cheerfully change my proposal in the way you suggest — that is for the conversion into planchets of the cuba nickel and the clippings only.

As time will be saved by my seeing you personally, in case that my new proposal may exactly meet the requirements of the case, I shall call at the Mint tomorrow morning between 9 and 10 o'clk prepared to do so if the first situation may seem to be needful

Yours truly

Joseph Wharton
